

**GiGi Eyre**

Hi! My name is Gigi Eyre and I have coached volleyball for girls 14 and under for 8 years now. I played volleyball in high school and in a club league in college at the University of Alabama. I started the volleyball program at The Capitol School in Tuscaloosa, AL and coached there for three years. This is my third year coaching for Southern Performance Volleyball. Currently I live in Tuscaloosa and I am a third grade teacher at Big Sandy Elementary School. Volleyball and teaching are my biggest passions and I am excited to be coaching your children this year!
